LETTER OF DEFICIENCY #WSEB 03-058
CERTIFIED MAIL # 7000 0600 0023 9933 2192

SUBJECT: HAMPSTEAD - EPA#: 1035090 Public Water System: ALL OUR CHILDRENS HOUSE

Dear Owner:

The records of the Department of Environmental Services (DES) show that the subject water system is classified as a public water system (PWS), as defined by RSA 485:1-a. A PWS is defined as any water system supplying 15 or more services, or 25 or more people, for 60 or more days per year. Pursuant to NH Admin. Rule Env-Ws 303.03, the water system owner is required to obtain a permit to operate from DES. This permit must be renewed by July 1 of each year. According to Env-Ws 303.03(c), non-transient, non-community water systems shall pay a permit to operate fee of \$150 per state fiscal year.

DES records show that your PWS failed to pay for and obtain a permit to operate for state fiscal year 2004, which began July 1, 2003, and is, therefore, in violation of NH Admin. Rule Env-Ws 303.03. DES believes the permit to operate violation can be corrected by taking the following action:

By August 1, 2003, complete and sign the permit application, make any necessary corrections to the Contact Information Report, and pay the outstanding permit to operate fee of \$150.00 for state fiscal year 2004.

In the event compliance is not achieved, DES may take further enforcement action, including issuing an order requiring the deficiency be corrected, initiating an administrative fine proceeding and/or referring the matter to the NH Department of Justice for imposition of appropriate penalties.

For your convenience, a new permit application and Contact Information Report are enclosed. Checks should be made payable to Treasurer, State of New Hampshire. Please include your system's EPA number on the check. The application, Contact Information Report, and fee should be sent to: Department of Environmental Services, Attn: Linda Thompson, Water Supply Engineering Bureau, 6 Hazen Drive, P.O. Box 95, Concord, NH 03302-0095.

Please contact Linda Thompson at (603) 271-3544 or by email at lthompson@des.state.nh.us, if you have any questions regarding the permit to operate renewal process. Please contact Anne Bailey by phone at (603) 271-0672, or by e-mail at abailey@des.state.nh.us if you have any questions regarding this letter.

Sincerely,
